THE 5th INTERNATIONAL CONFERENCE

“EDUCATION ACROSS BORDERS”

“INNOVATIVE EDUCATION: STRENGTHENING THE FUTURE”

28-29 APRIL 2023

KORÇË, ALBANIA

CALL FOR PAPERS

The educational system is fundamental to development and growth. It also enhances the social and economic outlooks of humankind, in the context of both short-term and long-term perspectives. This makes the impact of education vital for future advances. Scholars and decision-making bodies need to update their mindset, in order to cope with the fast-changing social trends, whose pressure upon education is becoming increasingly imminent.

The Conference targets cross-border perspectives on the above concerns in order to bring together researchers, academic staff, educational experts, teachers-in-service, scholar students, alumni, and stakeholders, to share and exchange their experiences, innovative ideas, and research results. It aims to enhance the new innovative educational approaches, interaction-based methodology, and internationalization of the higher education academic offer, **as cornerstones of a socially-oriented educational approach.**

CONFERENCE TOPICS of interest include, but are not limited to:

- *E-LEARNING & Digital technologies in education*
- *Covid'19 Pandemics: Educational “lessons-learned”*
- *Internationalization of the educational system*
- *Intercultural communication, bilingualism*
- *Interdisciplinary education*
- *Entrepreneurship and Education*
- *Educational Sciences*
 - *Didactics and Methodology*
 - *Psychology and Sociology*
 - *Didactics of natural and environmental sciences*
 - *Didactics of arts and humanities*
