Common European Framework of Reference for Languages

Communication skills

Strong personality, hard working person, working ethics, motivated, friendly, understanding and cooperative in the administrative and public environments,

willingness to learn new things.

Excellent communication and contact skills with many different constituents including students, alumni, administrators and staff gained through my experience as assistant lecturer. I am genuinely interested in helping others and provide services in a consistently positive and helpful manner. I also am self-assured and calmly handle the stress associated with busy times in the lab. Exceptionally responsible and volunteer to jump in and help out with any task from the mundane to the challenging. Also, I am able to effectively corporate with everyone and improve myself day by day.

Organizational / managerial skills

Good leadership skills in group.

Good organizational skills as a result of experience from the projects developed at university, practice and at work. Responsible for booking speakers and promoting event

Driving license B
