NAME BESNIK
SURNAME SKENDERASI
DATE OF BIRTH 10.06.1960
PLACE OF BIRTH Vloçisht-Korçë.
RESIDENCE Korça.
CIVIL STATUS Married.
CHILD Two.
ADDRESS New Block "Sporti" Ward No. 10. "Pandeli Vangjeli" street, Korça.
PHONE FIX PUNE 082248945
MOBILE 0684060531
E-MAIL bskenderasi@unkorce.edu.al; besniksk@yahoo.com

Education

EDUCATION HIGHER
YEARS OF STUDY 1980-1984
BRANCH Agronomy
SPECIALTY Plant Protection.
DEGREE Master in agronomic sciences (11.10.2007)
Doctor in the field of Agriculture and the environment. Profile, Plant Protection Sciences.
(13.06.2013)
TITLE Prof. asc. Dr. (10.06 2014). Decision No. 520 of the Securities Evaluation Commission
Academics, No. prot. 4377/1.19.09.2014 Academic senate member, UNIKO. 31.08.2020.

WORK EXPERIENCES

Date	2.09.2024 and following
Role or Job position	Dean of the Faculty of Agriculture
Name and address of the employer	"Fan S. Noli" Korçë University
Date	31 May 2016 onwards (Starts 01.06.2016)
Role or Job position	Head of the Department of Agronomy
Name and address of the employer	"Fan S. Noli" Korçë University
Date	November 2005-May 2016
Role or job position	Prof. of plant protection
Name and address of the employer	"Fan S. Noli" Korçë University
Date	2004 - November 2005
Role or job position	Director of the Regional Directorate of Agriculture and Food, Korçë.
Name and address of the employer	Ministry of Agriculture and Food
Date	2001 - 2004
Role or job position	Director of the Directorate of Agriculture and Food, Korçë
Name and address of the employer	Ministry of Agriculture and Food
Date	1997 2000
Role or job position	Plant protection manager in Directorate of Agriculture and Food -Korçë.
Name and address of the employer	Directorate of Agriculture and Food, Korçë
Date	1992 – 1996
Role or job position	Specialist of Agriculture in Libonik comunne.
Name and address of the employer	Libonik comunne. Korce
Date	1990 - 1992
Role or job position	Chief Agronomist in former agricultural enterprise, Vreshtas.

Name and address of the employer Executive Committee, Korça
Date 1984 - 1990
Role or job position Plant protection manager at former agricultural enterprise, Maliq
Name and address of the employer Agricultural Enterprise, Maliq

Qualifications

Netherlands (Wageningen). "Strengthening the Plant Service in Albania". November-December 1999.

France. (Normandy, Liguria, Cote Axurro, League Doc, Il de France). (Creation of associations for the common use of agricultural machinery. Lending to farmers through agricultural banks, wine production). October 1998, March 1999, July 2000, November 20001, April 2002

Germany. (Zschortau, Berching, Feldafing). "Management of Rural Organizations". July-August 2002

Sweden. (Stockholm). December 2002. "Management of Rural Markets.

Austria (Volsberg). "Environmental Management". December 2005.

Switzerland (Delemonte). Workshop and study tour on the topic: Integrated pests management. CABI European Center, June 1-6, 2008. September 9-16, 2012.

Greece (Follorine). Training. Integrated environmental management. In the framework of the project INTERREG III. With the teaching staff of the Faculty of Agriculture. Fan. S. Noli University Korça. October 2008

Greece (Athens) March 16-19, 2011. Project: Tempus IV. Title: International joint Master degree in Plant Medicine. Joint project - Curricular Reform. (Establishment of the Master's Program Second Level in Plant Protection). Coordinator – Mediterranean University of Bari. Duration: January 2010- December 2012. Funder: European Commission.

Croatia. (Osijek). Integrated management of weeds. Project: Tempus IV. Title: International joint Master degree in Plant Medicine. Joint project - Curricular Reform. (Establishment of the Second Level Master's Program in Plant Protection). Coordinator – Barit Mediterranean University. Duration: January 2010- December 2012. Funder: European Commission. May 2012.

Serbia (Novi Sad) 3rd Western Balkan Rural Extension Network Conference Novi Sad, 25-27 November 2013. European Commission TEMPUS.

Bosnia-Herzegovina (Sarajevo) from February 24-28, 2015. Workshop. "Inner Quality Assurance at the university of Korça". "LifeADA" Project 544595-TEMPUS -1-2013-1-HR-TEMPUS-JPHES "Lifelong learning for sustainable agriculture in Alps-Danube-Adriatic Region". December-November 2016.

Montenegro (Podgorica). Round table on regional guidelines. "Lifelong learning for sustainability agriculture in the Alps-Danube-Adriatic Region". Project "544595-TEMPUS-1-2013-1-HR-TEMPUS-JPHES. June 14-17, 2015.

Turkey. Istanbul 11-16 October 2003, "Istanbul Agriculture Fair" and Bursa 13-17 October 2015, "Agriculture Fair Scholarship".

Italy. (Alberobello-Bari). Expert in Agricultural Disclosure "Business Management". October- April 2001.

Participation in INTERNATIONAL projects

Project: International Joint Master Degree in Plant Medicine (IPM)
Reference number: 158875-TEMPUS-IT-TEMPUS-JPCR
Project Leader: University of Bari, Italy.
Project Partner: Agricultural University of Tirana, University "Fan S. Noli" Korçë, etc.
Funded by: TEMPUS
Period: 2009 - 2013
Position: member
Value: 112,300 euros

Project: "Strengthening research capacity and knowledge transfer in Integrated Pest Management at different institutional levels to improve sustainable agriculture in Albania".
Project Leader: CABI-Switzerland,
Project Partner: Fan S. Noli University-Korçë, High School of Agribusiness-Korçë, QTTB-Korçë and Agrinet-Korçë foundation.
Period: January 2010-July 2012.
Position: Member
Value: 12,000 euros

Project: Lifelong learning for sustainable agriculture in the Alps-Danube-Adriatic Region
 Reference number: 544595-TEMPUS-1-2013-1-HR-TEMPUS-JPHES
 Project Leader: University of Zagreb, (Croatia)
 Project Partner: Project Partner: Agricultural University of Tirana, University "Fan S. Noli" Korçë.
 Funded by: ERASMUS
 Period: November 2013 – October 2016
 Position: member
 Value: 88,506 euros

Project: Joint Promoting Actions of The Local Entrepreneurship at Greece-Albania Less Favored Areas (LFA) on the Viticulture and Wine Production Business Sector".
 Reference number: No. A2-2.2-9/WIN-Ss_02
 Project Leader: Korça District Council
 Project Partner: Greece
 Funded by: Interreg-IPA. CBC Greece-Albania.
 Period: 2014-2020
 Position: Coordinator
 Value: 50,000 euros.

Project: European Innovations for a Sustainable Management of Albanian Territories, rural areas and agriculture: Instruments, policies, strategies. SMARTAL
 Reference number: 586405-EPP-1-2017-1-FR-EPPKA2-CBHE-JP
 Project Leader: CIHEAM,
 Project Partner: Panteion University of Athens, Hohenheim University of Germany, Agriculture University of Tirana, "Fan S. Noli" University of Korce.
 Funded by: ERASMUS
 Period: 2017 – 2021
 Position: member
 Value: 72750 euros

Project: Harmonization and Innovation in PhD Study Programs for Plant Health in Sustainable Agriculture - Harisa
 Reference number: 598444-EPP-1-2018-1-HR-EPPKA2-CBHE-JP
 Project Leader: University of Zagreb, Croatia
 Project Partner: Agriculture University of Tirana, "Fan S. Noli" University of Korce.
 Funded by: ERASMUS
 Period: 2019 – 2022
 Position: member
 Value: 84,593 euros

Participation in projects national:

Project: "Recording, conservation, improvement and use of autochthonous genetic resources of Plants"
 Project Leader: Fan S. Noli University, Korça
 Project Partner: University of Business and Technology, Pristina
 Funded by: AKKSHI
 Period: 2022-2023 (12 Months)
 Position: member
 Value: 3.4 million

Project: "Recording the state of use of seeds and seedlings that are in accordance with the requirements of the state standards for the cultivation of plants in the region of Korça and ways to improve it."

Project Leader: Fan S. Noli University, Korça
Project Partner: AKKSHI
Funded by: MAS
Period: 2023-2024 (12 Months)
Position: member
Value: 4.5 million

Project: "Production and marketing of organic medicinal and aromatic plant products"
Project Leader: Fan S. Noli University, Korça
Project Partner: Private business
Funded by: AKKSHI
Period: 2023-2024 (12 Months)
Position: member
Value: 1 million

Project: "Waste prevention and acceleration of circular economy solutions".
"Hackathon-i i Zero City Lab -Korçë-Pogradec-Prenjas", mundesuar nga EU 4 Circular Economy and Livable cities. EU 4 INNOVATION.EU 4CIRCULAR AND LIVABLE CITIES
Project Leader: Korçë municipality
Project Partner: Private business
Funded by: BE
Period: 2025-2026 (12 Months)
Position: Mentor
Value: 250.000 euro

Workshops

1. Reference: "Problems and new developments in corn cultivation technology for grain and silage". April 2007. Organized by the Technology Transfer Centers, Agricultural Shkodër & Korçë.
2. Participation: "The Albanian university system. Didactics and the recruitment of professors". Organized by the Italian embassy. Korca, February 2008.
3. Reference: in the framework of the project; "Support for the development of farmers' associations and the cooperative movement in Albania", financed by the Spanish Agency for International Development Cooperation (AECID). The topic: "Origin and evolution of cooperatives" was referred to. May 7-8, 2009, Korça and May 19-20, Kukës.
4. Participation: In the framework of the European Union project for the cooperation of two universities: "Sapiensa" - Rome and "Fan S. Noli", Korçë, with the theme: "The contribution of the implementation of new methods of analytical chemistry in agricultural lands, water, agricultural and livestock food products and in the environment". 11.06.2010. Korça.
5. Participation: EU project, for the countries of Southeast Europe, young innovators network for sustainable ideas in the agro-food sector. acronym no-ble ideas, in collaboration with Fan University S. Noli Korçë and QTTB Korçë, with the theme: "Promoting the creation of a network of innovative innovators, encouraging and increasing the dialogue between demand and supply in the agribusiness sector". Korça, July 14-15, 2014.
6. Participation: EU project for Southeast Europe: "Regional Marketing: Branding of products regions". With the participation of SWG (RRD) (Standing working Group (Regional Rural Development), Cross-Border Region of Prespa and ABD Programme. Ohrid, March 12-14, 2015.
7. Reference: in the framework of tempus E-learning innovation sustainable Albanian Agriculture ELISAA Project, Fan S. Noli University of Korca in collaboration with University of

Bari Aldo Moro, Agriculture University of Tirana and Polytechnic University of Tirana organize: "Potentials, opportunities and good practices of the use of the renewable energy from biomass in Albania, Korçë", 16.04.2015.

8. Reference "Sustainability of the project". "Lifelong learning for sustainable agriculture in the Alps-Danube-Adriatic Region". Project "544595-TEMPUS-1-2013-1-HR-TEMPUS-JPHES. 09.06 2015. Korça.

9. Participation: "Raising awareness and strengthening capacities for pesticide management within the framework of strengthening the implementation of SAICM in Albania". SAICM-Strategic Approach to International Chemicals Management. (International strategic approach to chemicals management). Funded by UNEP. With the participation of the Ministry of Agriculture, Rural Development and Water Administration, UBT, UK and Durrës ecoenvironment. Duration 2015-2016. Meeting in Tirana 12.01 2016.

10. Participation: "The development of disadvantaged mountain areas and the challenges of livestock farms towards European integration". Within the cooperation of the University of Montpellier SupAgro, ETH Zurich and Panteion University. 23.06.2016. Korça.

11. Participation in the 20th anniversary of ADAD (Agricultural Association for the Development of Mountainous Regions). 29-30.09 2016. Korça.

11. Reference "Overview on agricultural crop protection, typical local products and environmental protection. Introduction with new technologies", "Youth employment in rural areas of Prespa Region-challenges and possibilities". Organized by the Agrinet Foundation and SWGRRD, ABD Programs, German cooperation, GIZ and the University of Korça. 17-18.11.2017. Korça.

12.Participation: "Identification of factors affecting the functioning of land markets and the access of small farms to land and providing recommendations to policy makers to improve the current situation". Organized by the Standing Working Group on Rural Development in South East Europe (SWG) within the JRC project "Land market development and smallholder access to land in South East Europe". Korça 5.03.2018.

13. Participation: "Rurality becomes a value", organized by LAG AGRO LIDER, Macedonia and Agrinet Albania Foundation, Korça. Resnje, Macedonia. October 2018.

14. Participation in the forum: "Against environmental crime and the protection of nature". The presence of the OSCE in Albania, in cooperation with the parliamentary commissions, the inter-institutional group against environmental crime and the World Organization for the Protection of Nature (WWF) organize the forum on the topic: "Inter-institutional cooperation against environmental crime". October 2, 2018.

15. Participation in the national fair "Albania works the land". Tirana. October 12-13, 2018.

16. Participation. Fila project. Interreg IPA CBC Italy-Albania-Montenegro program. "Strengthening and empowering of cross border innovation networks through Fertilization Innovation Labs in Agro-food for improving the connection between research and SMEs (EIP approach)". 18.02.2019, Korça.

17. Participation. Fila project. "Strengthening and empowering of cross border innovation networks through Fertilization Innovation Labs in Agro-food for improving the connection between research and SMEs (EIP approach)". 16.04.2019. Korçë.

18. Reference: "Sustainable and innovative Agri-food and fisheries value chain for SME's cross-border market". Interreg IPA CBC Italy-Albania-Montenegro 2014-2020

FOOD4HEALTH. Referred topic: "Research activities and the possibilities of involvement and areas of cooperation with the project". December 24, 2019. Korça.

19. Online participation of Syngenta Hellas on the topic: «Potato protection from pests and weeds, in the foreground. "Potato protection from harmful diseases and weeds, in the foreground". May 20, 2020 at 19:00.

20. Participation in Live streaming event (Live streaming event in the field of marketing). "Minecto Alpha insecticide is introduced". Visits to different agricultural plots and crops (Virtual Tours). Through the Zoom meeting platform. July 8, 2020, Athens, Greece.

21. Participation in the Regional Rural Forum of Egnatia (Korçë, Elbasan and Berat), organized by the Albanian Network for Rural Development (ANRD). Through the Zoom meeting platform. July 21, 2020. Korce.

22. Participation. Implementation of the educational program "DUAL AFS" (Professional Learning & Practice) in Agribusiness Management. November 2021. Faculty of Agriculture, Korça. Co-funded by the Erasmus + program of the European Union.

23. Participation in the workshop in Dual curricula Study and Work practice in Agriculture and food safety (DualAFS) and Training by Hannu Vitala University of Savonia (Finland). Korce 24.09.2022. funded by the Erasmus+ Program of the European Union.

24. Participation: "EU programs for international cooperation and internationalization in the institution", developed by UNIMED (Union of Mediterranean Universities) on November 8, 2022. Korce

25. Participation: Online workshop for BACHELOR and MASTER EDUCATION scheduled for WEDNESDAY DECEMBER 14, 2022 from 13H00 to 15H00 CET. (H2020 FOODPATHS project).

26. Participation: Environmental issues and concrete quotes in our country. Biodiversity and flora and fauna issues. The possibility of potential tourist attractions. May 22, 2023. Korça. Organized by PPNEA (Protection and Preservation Natural Environment in Albania).

27. Workshop within the framework of the project funded by the University in collaboration with QTTB and AREB Korce! « Increasing the role of the university in the transfer of post-harvest agricultural technologies of local products » September 2025

Participation in Conferences, seminars and other workshops

1."Mountain farms and trends of its development in Korça District". June 2004.

2."Negative effects of pesticide residues after treatments in orchards and vegetables". June 2007. With the specialists of the Advisory Service of DRBUMK - Korçë.

3."Negative effects of pesticide residues after treatments in orchards and vegetables". July 2014. With the specialists of the Advisory Service of DRBUMK - Korçë.

4. Presentation. "Integrated management of diseases, pests and bad drugs in horticulture".

5. IPA ADRIATIC "AMF" 5th International meeting-Workshop "Model forest candidacy and support for implementation". Voskopoja, Korca, Albania from 16th-18th December 2014.

6. Participants in the Summer School on the topic: "Food safety and Quality Assessment of Plant Based Food" 12-16. October 2009. Organized by the University of Padua and the contribution of the Veneto Region.

7. Participation in the 1st international conference "Problems of didactics in the humanities". Organized by the Faculty of Natural Sciences and Humanities of Fan S. Noli Korçë University. November 6-7, 2015.
8. Participation in the regional conference: The ODA of IDEAs. "Ohrid region development, better policies, better lives". Organized by Ohrid Development Association & "Fan S. Noli" University, Korça. 11.06.2016, Pogradec.
9. Participation in training: Technical assistance for EU programs in Albania. Information session. "Call for proposals in the framework of the Horizon 2020 program". Organized by (AKTI), Technology and Information Research Agency. Korça 24.06.2016.
10. Participation in the scientific session dedicated to the 90th anniversary of the birth of the French philosopher Michel Foucault, organized by the Department of Social Sciences of the Faculty of Natural Sciences, Fan S. Noli University of Korça. 18.11.2016. Korça.
11. Participation in the scientific conference "100 years from the Self-Government of Korça". Prepared by the Academy of Sciences of Albania, Fan S. Noli University, Tirana Albanian Studies Center. 09.12.2016. Korça.
12. The university scientific conference with the theme: "The role and contribution of the "Scientific Bulletin" in the protection, development and transmission of knowledge, as an integral part of the mission of our university" (In the framework of the 20th anniversary of the publication). 23.12.2016.
13. Participation in the international scientific conference "Teaching and Learning-Competence-based Higher Education Curriculum", organized by the Faculty of Education and Philology. 29.09.2017.
14. Participation in the Project "KORCA FOOD HUB: Sustainable Rural Development through Regional Branding" financed by the IADSA Program and implemented by Korça Municipality in partnership with the Regional Development Agency no. 3 (Korçë - Elbasan - Berat), the Institute "Adriapol and the Region of Apulia. "Taste Branding Creating Interest Groups". September 27, 2017.
15. Participation in the national conference: The First Albanian Rural Parliament. Organized by the Albanian Network for Rural Development (ANRD) in partnership with the Agricultural University of Tirana (UBT). September 28-30, 2017. National conference: The first Albanian rural parliament. September 28-30, 2017.
16. National conference of agriculture: organized by the Ministry of Agriculture. "The new approach of support in agriculture and food security" Tirana December 11, 2017.
17. Business meeting. About the identified problems and the measures taken for the summer tourist season. Regional Tourism Development Committee, Korça District. Pustec 28.06.2018.
18. Within the framework of the creation of the Local Regional Forums, the "Albanian Network for Rural Development" (ANRD) and the AgriNet Albania Organization. Regional Meeting "Linking actors and local initiatives for sustainable practices in rural development", July 11, 2018.
19. "National Table on the Governance of Agriculture and Rural Development". Albanian Network for Rural Development (ANRD). February 12, 2 p.m. at Europe House (Palace of Congresses).

20. "Forum of Korça" on "Management of forests, heating, energy efficiency and green economy in the region", organized by the organization: "Friends of Korça" together with other members of the coalition "For a green region", in partnership with the University of Korça, Faculty of Natural Sciences and Humanities, Biology-Chemistry Department. 29.3.2019. Korça.

21. RTSH2 studio conversation. "Problems of higher education and the Faculty of Agriculture". December 2019.

22. Interview in Korca TV studio. "On the activity of the Department of Agriculture". December 2019.

23. Talk in Korca TV studio. Pesticide problems in agriculture and food safety of agricultural products. June 2022.

Seminars

1. Theoretical-practical seminar organized by SNV and faculty of the Faculty of Agriculture: Integrated management of diseases in orchards. (May 20 – 25, 2013).

2. "Protection of the land is a guarantee for future generations". Organized by the Faculty of Agriculture. (Department of Agronomy), in cooperation with the Albanian Association of Soil Science and the Center for Natural Resources Studies, in the context of the International Soil Day on December 5. Korça 24.11.2014.

3. "Protection of the land is a guarantee for future generations". Organized by the Faculty of Agriculture. (Department of Agronomy), in cooperation with the Albanian Association of Soil Science and the Center for Natural Resources Studies, in the context of the International Soil Day on December 5. Korça 24.11.2014.

4. Participation in the seminar organized by the Ministry of Education and Sports, in the framework of the Erasmus+national Seminar program, with the theme: "Financing Higher Education institutions in the framework of the new Law of Higher Education". Korça November 20, 2015.

6. Participation in the national seminar of HERE (High Education Reform Expert) "Reevaluation of study programs: The link between the curriculum and learning outcomes". Organized by the Erasmus + Office in partnership with the "Fan S. Noli" University. Topic "Curriculum mapping". October 2017.

7. "Integrated management of diseases and pests in orchards and food safety". Training seminar with groups of farmers within the SARED project, organized by Adad mountain, November 27-29, 2017 in Vranisht, Bilisht, Mollaj, Polene, Zvirine, Gollobërde.

8. Scientific discussion on "Problems of Irrigation and Drainage in Maliqi Field". Organized by the Prefect of Korca. Korça. 27.04.2018. June

9.7 international day of food quality and safety. Organized by the Department of Agri-Food, Faculty of Agriculture. June 2022.

10. The effectiveness of the use of modern agricultural inputs, and the fruit varieties required by the markets.

Training

1. "IPM in apple culture". Training in the framework of the Project "Competitiveness in Albanian Agriculture" Contracted by USAID. May 2-4, 2008.

2. Training "Onion, its production, storage and marketing". In the framework of the "Competitiveness in Albanian Agriculture" Project. USAID April 23, 2010.
3. Training. "The teacher Training activity in Physiopathology" was held in Korça (Albania), at the University of "Fan S. Noli" - Korca, Albania, between 24th and 25th of October 2012.
4. (IADK). "Initiatives for agricultural development of Kosovo". Training at the IADK center (Vushtri-Kosovo). 22-23 12.2014.
5. Training: "On the use of new pesticides produced by Syngenta Company". February 8-9, 2014. Katerini-Greece.
6. Participation. "Safe Use of PMB". Training with orchard specialists and farmers, Korca district. Presentation by specialists of the company "Syngenta. Korca. 14.03.2016.
7. Presentation "Integrated management of apple scab". Training with orchard specialists and farmers, Maqellare, Peshkopi. 17.03.2016.
8. Presentation "Integrated management of apple scab ". Training with orchard specialists and farmers, Dvoran, Korce. 18.03.2016.
9. Presentation. "Integrated management of apple scab ". Training with orchard specialists and farmers, Zvirina, Korce. 21.03.2016.
10. Presentation. "Integrated management of apple scab ". Training with orchard specialists and farmers, Progër. 01.04.2016.
11. Training of agricultural specialists, pesticide traders, students of the Faculty of Agriculture and distinguished farmers in the Korce region, in the framework of the project: "Raising awareness and building capacities on pesticide management in frame of strengthening SACM implementation in Albania (RABA) 9 10.11.2016.
12. Training. "Problems on the potato moth (Phthorimea operculella) in the region of Korça". Training with agricultural specialists and farmers of the Parg administrative unit. December 2019.
13. Training. "Problems on the potato moth (Phthorimea operculella) in the region of Korça". Training with agricultural specialists and farmers of the administrative unit. Yes they are. May 2020.
14. Training. "Problems on the potato moth (Phthorimea operculella) in the region of Korça". Training with AREB and QTTB specialists. August 25, 2020.
15. Training. "Problems on the potato moth (Phthorimea operculella) in the region of Elbasan and Berat". Training with specialists of AREB, Elbasan. Berat September 10, 2020.
16. Training with orchard specialists and farmers, Maqellare, Peshkopi. 01.03.2016.
17. Training: Referral. "The Rimpro Program and its implementation in practice". In the framework of the FILA project. Interreg-IPA CBC. Italy-Albania-Montenegro. Albanian Development Fund. December 2020.May
- 18, 2022, Korce. This seminar takes place in cooperation with the micro-financial institution NOA, the leading company Syngenta and the GIZ/AFC project.

19. Automated assessment of tests (exams) and making available translated international academic texts. The CleanScore project undertaken by the Albanian-American Development Foundation (AADF), in the framework of projects in the Education sector. Korça, November 23, 2022.

20. "Increasing the reputation of "Fan S. Noli" University, in the national and international context - Preparation of UNIKO for the Ranking of Universities". In implementation of the project won by "Fan S. Noli" University, within the call "Concrete Implementations of University Governance", financed by the Agency of Francophone Universities (AUF). Dated April 26, 2023.

PhD supervisor

In the dissertation on the subject; "Integrated management of the codling moth in the conditions of the Korca region", for the scientific degree "Doctor" in Msc. Nikolin Karapanci, defended on 23.04.2021 with the rating "Excellent"

Doctoral opposition

1. "DYNAMICS OF WHEAT DISEASES IN THE WESTERN LOW AREA OF ALBANIA AND THEIR CONTROL". M.Sc. Zhaneta SHAHINI, candidate for the scientific degree "Doctor". Date 02.03.2015.

2. "MANAGEMENT OF THE APPLE SCAB (*Venturia inaequalis*) IN PUKA DISTRICT". M.Sc. Leze Marku, candidate for the scientific degree "Doctor". Date 27.03.2015.

3. "SPREAD OF SOME GRAPE VIRUSES IN LOCAL CULTIVATORS AND ASSESSMENT OF THE PHYTOSANITARY STATUS OF CANDIDATE CLONES IN A FIELD OF HOMOLOGATION". M.Sc. Dritan Sadikaj, candidate for the scientific degree "Doctor". Date 22.05.2017

4. "INTEGRATED CONTROL OF MAIN FUNGAL DISEASES IN PEACH CULTURE [*Prunus persica* (L.) Batsch.]" M.Sc. Hajredin Tocaj, candidate for the scientific degree "Doctor". Date 21.07.2017

5. "THINNING OF FRUIT IN DIFFERENT FORMS OF CULTIVATION AT THE GOLDEN DELICIOUS APPLE CULTIVAR" M.Sc. Gjakë DUHANAJ, candidate for the scientific degree "Doctor". Date 12.10.2017

6. "POPULATION DYNAMICS AND BIOLOGICAL CONTROL OF THE GRAPE MOTH (*LOBESIA BOTRANA*) LEPIDOPTERA TOTRICIDAE USING DIFFERENT BT VARIETIES IN NATIVE CULTIVARS" M.Sc. Florie Rexhaj. Candidate for the scientific degree "Doctor" 06.04.2018

7. "TOMATO MOTH (*TUTA ABSOLUTA*) MANAGEMENT IN VEGETABLE PLANTS WITH THE MASS TRAP METHOD" M.Sc. Ajten Bëxolli. Candidate for the scientific degree "Doctor" 12.07.2018

8. "INVENTORY OF AKARIFAUNA IN APPLE CULTURE IN SOME AREAS IN ALBANIA" M.Sc. Aurela Suparaku. Candidate for the scientific degree "Doctor" 17.09.2018

9. "BEHAVIOR OF SOME APPLE CULTIVARS TOWARDS APPLE SCAB *VENTURIA INAEQUALIS* AND ITS INTEGRATED CONTROL IN THE GILAN AREA IN KOSOVO". M.Sc. Edmond Rexhepi Candidate for the scientific degree "Doctor" 22.02.2019

10. REVIEWER in the monograph: "MANAGEMENT OF THE TOMATO MOTH (*TUTA ABSOLUTA*) IN VEGETABLE PLANTS WITH THE MASS CAPTURE METHOD" with authors: Dr. Ajten Bëxolli and Prof. Dr. Shpend Shahini. November 2018.

Committee member in PhD

1. "BIONOMIC STUDY OF THE OLIVE FLY (*Bactrocera oleae*) IN THE AREA OF TIRANA MSc. Fatmira Allmuça, candidate for the scientific degree "Doctor". Date 02.04.2015
2. "THE EFFECTIVENESS OF BIOLOGICAL CONTROL OF DOWNY MILDEW AND POWDERY MILDEW IN GRAPES" MSc. Suela SPAHIU, candidate for the scientific degree "Doctor". Date 16.07.2018
3. "ASSESSMENT OF PESTICIDE RESIDUE ORGANIC POLLUTANTS RESISTING IN AGRICULTURAL LANDS, IN THE FRAMEWORK OF CONTROL AND BIOLOGICAL PRODUCTION Msc.mimoza Mukaj, candidate for the scientific degree "Doctor". Date 19.11.2018

Self – assessment According to the European level

I have the ability to work in a group, I adapt to groups belonging to different levels of students and other people. I have good communication skills, I respect the opinion of others. These skills are reflected in my daily work as a teacher and leader.

Social skills and Competence

I have good organizational skills. From 2008 onwards as the head of the University of Korça and the Faculty of Agriculture, I have been characterized by a sense of initiative, cooperation in daily work, I am the organizer of many cultural and sports activities that are organized at the Faculty and at the University.

Organizational skills and competence

Correct in the timely and quality implementation of tasks assigned by superiors, or tasks due to work positions. The technical skills I possess are reflected in my work as a lecturer of the subjects: Field Plants, Agricultural Extension, Medicinal and Aromatic Plants, as well as as a participant in many projects. I have the ability to apply and work in a group with national and international projects.

Computer skills and Competencies

I have good IT knowledge in the use of Microsoft, Word, Excel, Internet Explorer, PowerPoint programs, for which I have qualification certificates.

Artistic skills and Competence

I organize various events and excursions inside and outside the country with colleagues and students
